Requirement for Information on Soviet Deployment of  
Long-Range Guided Missiles

1. Attached is a Guide/Requirement for observational collection on Soviet deployment of long-range guided missiles. This Guide/Requirement was prepared at the request of the DD/P Guided Missiles Task Force.

25X1X1

2. Please note that page 2 of this document is a Requirement [REDACTED] The remaining pages provide briefing material for respective case officers.

3. It is requested that copies of this Guide/Requirement be served on all collection elements, including the requestor, DD/P, with a statement that ORR will furnish sufficient copies for their respective needs. It is further requested that the transmittal memorandum to collection elements contain the following:

"This Guide/Requirement augments the Draft Collection Planning Aid on the Soviet ICBM Program (CIA/RR MP-223, 4 April 1958). Background information on operational deployment may be reviewed in that study, pages 53-79."
